7/8 - POINT STRAIGHT TRUCK SECURITY & AGRICULTURAL (PEST) INSPECTION FORM

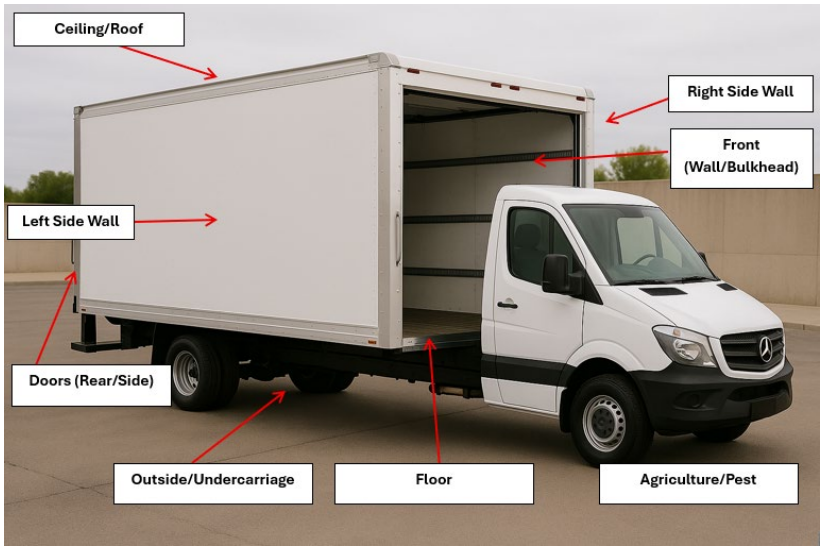

The 7/8-Point Straight Truck Inspection form is utilized to make sure goods and truck are **secure and pest free**. Please utilize this form to confirm and acknowledge our 7/8-Point Inspection Policy has been executed on the straight truck.

Make sure you conduct a full security inspection for contraband, false compartments, and signs of human trafficking. Also, measure the straight truck length/width/height and compare the inside and outside to verify there are no structural modifications.

Physical integrity must be maintained in all areas of the straight truck. If the straight truck does not pass inspection, please hold straight line truck for transit and contact our company and appropriate authorities including the U.S. CBP, if necessary.

Check when security inspection is complete:
